## EXPERIENCE

### ACM Hack Graphic Design Member

May 2023 – Present

*Missouri S&T ACM*

*Rolla, MO*

- Utilized Figma to design the landing page for the Hackathon
- Designed with Canva to create flyers, sweaters, stickers, etc
- Brainstormed within the team by providing different perspectives of visuals through inspiration

### Package Handler

June 2023 – Aug. 2023

*FedEx*

*Springfield, MO*

- Collaborated with team members to ensure efficient truck loading
- Loaded and unloaded packages in a high-volume warehouse environment
- Gained exposure to large-scale logistics and supply chain operations

## PROJECTS

### ToDo App Solo Developer

Sept. 2025

*React*

*Rolla, MO*

- Developed and implemented dynamic task creation and update functionality
- Built local data persistence using local storage to enable offline functionality
- Engineered a responsive sidebar navigation system to streamline task organization and workflow

### Pokemon Cards Team Developer

Sept. 2024 – Dec. 2024

*Database Management System*

*Rolla, MO*

- Designed an ER model schema collaboratively, iterating on entities and relationships based on peer and instructor feedback
- Translated conceptual designs into logical and physical schemas using MySQL and Oracle SQL
- Optimized and tested SQL queries to ensure data integrity and efficient retrieval
- Incorporated iterative feedback to improve schema structure and normalization

### Eagle Scout Project

Aug. 2021

*Ozark Trail Troop 235*

*Springfield, MO*

- Led a team of volunteers to plan and execute a community service project benefiting local firefighters
- Planned the project by gaining approval from authorities through signatures on paperwork
- Accumulated 21+ merit badges covering leadership, citizenship, and technical skills

## EDUCATION

### Missouri University of Science and Technology

Dec. 2026

*Bachelor of Science in Computer Science*

*GPA: 3.3/4.0*

## ACTIVITIES AND HONORS

- Central High School - IB Diploma and National Honors Society
